The Whiting Family YMCA believes good sportsmanship is an essential component to all our sport programs. In order for good sportsmanship to prevail, the players and fans must display respect, fairness, honesty and responsibility before, during and after all sports activities. We encourage players and fans to enthusiastically support their team, recognize outstanding performance, and always exhibit good sportsmanship in their words and actions. Failure to uphold these standards can result in individual/team disciplinary actions. By signing this, as team captain, I acknowledge that it is my responsibility to assist in upholding the YMCA's standards.
